C & 56/27-28 One — Office of the Board Commissioner in your.

ted Bangalore, 27th December 1927.

Circular.

ST 3/1/28

There are many chattrams in the State built by private individuals which are enjoying the exclusive chattrams lands for their support. In many cases this Board already has to the notice of Government it has been found that a large portion of these chattrams are neglected no longer serve the purposes for which they were constructed and that the lands originally granted which have become very valuable by the efflux of time are now enjoyed by the heirs of the original grantees though the service for which they were granted is not rendered or if rendered is rendered if performed by no means in a satisfactory manner. The performance of service is one essential condition of the grant and failure involves the forfeiture of the grant. Such grants should be strictly construed. Actions are already being taken in many Districts to deal with such cases of neglect and non-compliance of grants in accordance with the rules. Owing to the extension of the railway and the provision of other means of traffic such chattrams no longer hold the same place as regards convenience of travellers as they did when the lands were originally granted. It is necessary to deal with all such cases in a satisfactory manner. The Deputy Commissioners of Districts are therefore requested to obtain and send a list of such private chattrams giving particulars of lands endowed to them and the present state of the buildings and services, if any, prescribed in them together with their opinion about the continuance of the grant in the following form.

Review of private Chatrams endowed with Inam lands in the State.

The number of Chattrams in each District is as noted in the margin.* Of the 15 Chattrams in the Bangalore District, all except those at Yelahanka and Chennasandra are reported to cater to public convenience and the buildings are kept in good condition. In the case of the Chttram at Yelahanka which enjoys an inam of extent of 239 acres 38 guntas, the Deputy Commissioner reports that the Chttram is not maintained properly and action is being taken to take over the Chattram under Government management. This should be expedited and a report sent up by the Dy Comm. within a month. (1)

Kolar District.	2	x

Chitaldrug District.	2	x

As regards the Chattram at Chennasandra, it has already been ordered by Government that the present occupants of the lands may be allowed to retain possession of the same on payment of ¾th of the market price of the land and the full assessment and the inam tenure cancelled. The Chattram at Chickajala is reported to be useful to the public and its continuance is considered necessary. But the building is in a neglected condition. The Deputy Commissioner should send up his recommendation at once to take the Chattram with its land endowments of an extent of 225 acres 29 guntas under Government management. (2)

In the Kolar District, there are only two Chattrams one at Bowringpet and the other at Konapalli, Chintamani Taluk and the buildings are reported to be in good condition. These Chttrams cater to public convenience now and their continuance is also considered necessary. The Chattram at Konapalli is as per Government Order No.715-6 Muz.156-92 dated 25th April 1894 maintained out of the interest on the cash endowment of Rs.14,000/-, made by Patel Byarappa of Konampalli, who built the temple of Kodandaramaswami at the place and endowed it with lands also.

In the Tumkur District, there are 5 Chattrams of which the inam lands of the Chattram at Gulur have been ordered to be leased out by Government and the Chattram continued -- under Government management.(Vide G.O.No.2000-1/Muz.304-28-3 dated 21st March 1919.) The review petition of Mr.Srinivasa Rao is yet under the onsideration of Government. The Inam lands of the Chattram at Manchakalkuppe, Tumkur Taluk have been ordered to be resumed and sold, there being no need to continue the Chattram since it was neither fit to be occupied by travellers nor available to them as two rooms are being kept by the Inamdar. The Chattram at Bandihalli, Kunigal taluk is included in the Damodar Das Charities now under Government management is reported to have fallen down and the feeding is therefore now done in a room in the Musafirkhana at Huliyurdurga, where a new Chattram is proposed to be built. The construction of the new building should be expedited. The Chatturam at Chakenahalli in the same taluk is stated to be in good condition and to be useful to the public. While the Amildar says that the grant may be revised suitably, the Deputy Commissioner merely states that the grant may be continued. The Deputy Commissioner should (3) ascertain in what respect the grant may be revised and report for orders with his opinion in the matter.

The Chattram at Pavagada is stated to be ill-kept as also the Musafirkhana attached to it which is let out for rent to the taluk Head Gumasta. The Inam lands of an extent of 241 acres 38 guntas are in the enjoyment of the -- descendants of the original founder. These lands which are stated to yield at least Rs.500/- a year are proposed to be taken over under Government management since the grantees have -- failed to abide by the terms of the grant. The Deputy -- (4) Commissioner should submit formal proposals in this respect within a month.

Of the 9 Chattrams in the Mysore District, the Inam lands of the Kadakola Chattram are in the enjoyment of Messrs.Bala-

File is pending with Inam dept.

Messrs Baladevaraja Urs and Balaraj Urs. The matter is before Government andorders of Government thereon are awaited. The Inam lands of Srinivasa Rao's Chattram at Mandya have been ordered to be taken under Government management along with the Chattram with a view to make proper arrangements for the care of the Chattram and temple therein, realising adequate income from the lands (vide G.O.No 1524-5/Muz.306-27-8 dated 2nd February 1929). Similarly the Kandachar Subba Rao's Chattram at Haradanhalli is under -- Government management together with its endowments vide Government -- order of 15th March 1895. The Bellale Chattram lands are under the management of Mrs.Venkatasubbammanni as per orders of ~~Government~~ Government subject to certain conditions. ~~xxx~~ All these Chattrams are stated to be serving public -- convenience and their continuance is considered necessary. It is only the Chattram at Chunchinkatte which is endowed with Inam lands to an extent of 385 acres 5 guntas, that is ~~xxxxxxxxx~~ considered unnecessary. The Deputy Commissioner should submit immediate proposals for the resumption of the Inam lands, making arrangements in the meantime to dispossess the present holders of these lands and lease them out temporarily.

The case connected with Bakshi Rama Suppa's charities is engaging the attention of Govt. a file submitted for Secretary's with L.A's opinion - 19/11/30

(5) Of the 7 Chattrams in the Hassan District, those at Arsikere, Grama, Holenarsipur and Akalgud are sated to be useful to the public being kept in good condition. ~~Their~~ ~~xxxx~~ continuance is considered necessary. The question of the revision of the grant to the Holenarsipur Chattram rendered necessary by the conversion of 39 acres of dry lands to wet should be ~~xx~~ investigated and the matter reported early by the Deputy Commissioner for orders. With regard to the -- chattram at Madihalli, Belur taluk, it is stated that it is not of much use as there is a Traveller's Bungalow and Musafirkhana closeby and it is made use of by devotees during the annual Rathotsava at Madihalli. The chattram has Inam lands of an extent of 21 acres 28 guntas wet and 1 acre 8 guntas dry. The need for the continuance of the grant will be examined by the Deputy Commissioner and reported upon early. (6)

In the Shimoga District, there are only two chat one at Hole Honnur enjoying 63 acres 13 guntas of In lands and the other at Tyajavalli in the Kumsi Sub T.l having 2 acres 5 guntas dry and 7 acres 28 guntas wet as inam. Both these are in disrepair. The Deputy Commissioner will take immediate steps to attach the -- (7) inam lands so that the proceeds may be utilised for the repairs of the Institutions for which estimates should be prepared and sanctioned early. The continuace of the Tyajavalli chattram in view of its prospective use- (8) fulness is ~~as~~ a matter for further examination and --- report.

With regard to the Muggimakki Malleshiah's chattram at Hariharpur in the Koppa taluk of the Kadur District, the Deputy Commissioner will report at once the result of the correspondence in the matter of bringing the -- (9) chattram also under Government management and to submit proposals for building a new chattram as already ordered

Of the two chattrams in the Chitaldrug District one at Janukonda, Chitaldrug taluk, and the other at Aimangala, the former which enjoyes ~~ø~~ imam lands to an extent of 91 acres 28 guntas (83 acres 14 guntas dry and 8 acres 14 guntas wet) is stated to be in disrepair and its abolition is recommended. The Deputy Commissioner will submit his report in the matter immediately for (10) obtaining orders of Government.

The Ghattram at Aimangala is richly endowed having 637 acres 33 guntas (dry) of inam land. Since the -- object of the grant is not fulfilled, the Deputy Commissioner should submit immediate proposals to resume the lands, steps being taken in the meantime to dispossess ~~x~~ (11) the present holder of the inam lands and lease them out temporarily.

A quarterly report of action taken should be sub-

should be submitted by each Deputy Commissioner vigorous.. measures adopted to give effect to all directions by the end of March 1930.

Re:- Taking over the inam lands of Bhimappa's chattram at Pavagada under Govern ent Management.

SIR,

Adverting to this office review No.856/27-28 dated 27th January 1930 on the working of private chattrams endowed with ~~inam~~ inam lands in the state, I have the honor to forward herewith the vernacular records received with the Tumkur Deputy Commissioner's - letter No. M.12-30 dated 19th November 1930 (copy enclosed) on the above subject.and to state as follows.-

The chattram in question is endowed with a large extent of Inam lands viz. 244 acres 9 guntas. It is reported that in -- spite of several notices issued to the vahivatdars(the present ---- anubhavadars of the inam lands) to attend to the repairs of the -- chattram and the Musafirkhana attached thereto, they have not taken any pains to put the buildings in order, and that the same are in a very dilapidated condition. The last notice is stated to have been sent to the vahivatdars in January 1930 giving them three months time and there has been no response to it. The chattram building is -- also stated to have been rented out by the vahivatdars. As the ---- conditions of the grant have not been fulfilled the Deputy Commissioner recommends that the chattram and the Musafirkhana may be ordered to be taken under Government management and the inam lands resumed to ------- Government. I request that sanction of Government may kindly be -- obtained to resume the inam lands endowed to the chattram and to take

over the Chattram and Musafirkhana under Government management.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.M.12-30-31 dated 19th November 1930 from the Deputy Commissioner, Tumkur District to the Muzrai Commissioner in Mysore.

With reference to your Docket No.856/27-28 dated 27th January 1930, forwarding an extract from the review of Private chattrams endowed with Inam ~~xxx~~ lands in the State and calling for formal proposals in the matter of taking over the inam lands of the chattram at Pavagada under Government management, I have the honor to submit herewith, the entire records ending with the Madhugiri Sub Division Officer's Memo No.G1.1896 dated 10th -- October 1930 relating to the subject and to state as follows:-

The chattram in question (viz. Bheemappa's chattram) has a land endowment of 244 acres-9 guntas. In the year 1929, the Amildar, Pavagada Taluk, having reported to the Sub Division -- Officer, Madhugiri, that necessary repairs, either to the --- chattram or to the Musafirkhana attached thereto, were not effected by the grantees inspite of a notice served on them that the --- vahivatdars had rented out the chattram and sought orders re: the resumption of the same; the Sub Division Officer ordered that the grantees might be asked why the Inam lands should not be resumed as the conditions of the grant were not fulfilled. A notice was accordingly issued on one Venkata Bhima Rao who stated that the inam lands (Dharmadaya) are being enjoyed by him and his nephew Venkatesa Rao, that in addition to the payment of Rs.50/- to the sweeper annually, they had spent Rs.20-25 towards its repairs and requested that the lands might be ordered to be continued with them, in view of the poor income from the lands. V.Rama Rao, guardian of Venkatesa Rao, stated on the other hand, that he has nothing to do with the repairs as Venkata Bheema Rao, who has been given large extent of inam lands for meeting the cost of repairs, is solely respo sible for the same. The records having been --- submitted to the Sub Division Officer, he again gave three months' time to the grantees. The Amildar now reports that the inamdars have not taken any pains to attend to the repairs of the building, though a notice was served so far back as January 1930 and that it is therefore desirable to take the chattram under Government ~~xxx~~ management and resume the inam lands to Government. The Sub Division Officer supports the proposal of the Amildar and further

further says that the chattram is in a dilapidated condition.

In the above circumstances, I am of opinion that the Inam lands granted for the support of the chattram and Musafirkhana may be ordered to be taken over to Government and the chattram and the Musafirkhana taken under Government management, as the grantees have failed to abide by the terms of the grant.
